Please read the following carefully before choosing to enroll at Spotlight Dance Center.

- ❖ Registration will only be done online through the parent portal. No in-person registration.
- ❖ Payment by Credit/Debit cards are encouraged. Email or call the studio if a different payment method must be used.
- ❖ September's tuition is due immediately to hold spot in class.
- ❖ Online autopay will be run the 1st of each month (starting October) unless customer makes other arrangements with studio office.
- ❖ Pre-Ballet and Pre-Tap classes will be charged \$8 for personal props to be used in class. These props will be individually bagged with the dancer's name and will be handed out the first day of class and must be brought to every class thereafter.
- ❖ Pre-Ballet, Pre-Tap, (5,6,7) and (6,7,8) year old classes should bring a little notebook for their end-of-class stickers.
- ❖ Ballet students must bring an empty paper towel tube with slit down the side to go over ballet barre.
- ❖ Students must leave street shoes in the lobby but must bring dance bags into class.
- ❖ **Read the policy carefully**, especially all COVID-19 protocols. Policy and agreements must be accepted before the student can take class. (Legalese agreements are located within the parent portal. The studio policy is located on the bottom of the main website page: www.spotlightdance.com.)
- ❖ Every student must have temperature checked and several screening questions answered before entering the studio.
- ❖ To reduce possibility of COVID exposure, parents of ages 6 and up will not be permitted into studio waiting room; they will need to wait in their cars.
- ❖ Class sizes have been adjusted to accommodate social distancing. Once a class fills, we cannot "squeeze" another person into that class.
- ❖ Class start and end times have been staggered to reduce the number of students of different age groups gathering near the entrance.
- ❖ Spotlight has improved cleaning procedures before, after, and in between classes and age groups.
- ❖ All staff members will be wearing facemasks. All students 5 and up must wear a facemask in studio lobby. Students will have the option of removing the facemask only in class if they begin to overheat.
